OWNER RELEASE:

All animals must be free of any contagious diseases and parasites (external and internal) or will be treated upon arrival/discovery of the condition at the owner's expense. I understand that Magruder-Tabb Animal Clinic cannot be held responsible for and/or guarantee the health of my pet for all possible conditions that could occur during boarding. Such conditions are, but not limited to: weight loss, diarrhea, hair loss, upper respiratory infections, bronchitis (kennel cough), and fleas. If my pet becomes ill or injured while boarding, medical treatment will be rendered. If my pet becomes increasingly stressed and if medical personnel deem it appropriate then we may render oral calming medication to help with my pets stay at the owner's expense. If medications do not help and medical personnel deems the stay to be a serious determinate to my pet's health, then we may request an earlier release date than scheduled.

For all animals being boarded more than two (2) weeks a 50% deposit will be required!

Pets are released during hospital hours ONLY! **Mon-Fri: 7am-5pm, Sat: 8am-12pm**
I am aware of and agree to the above contract and I am the legal owner or agent of the legal owner of this animal(s) and I am 18 years of age or older.
